

***You are receiving this message as a person having responsibility for the Great Start Readiness Program (GSRP). Please do not reply to this message.***

PA 85 of 2015 provided funding for the 2015-2016 (FY16) GSRP. The ISD is awarded grant funding and through written agreements will expend funds on behalf of, and in coordination with its subrecipients. *Technical Assistance for completing the Acceptance of Funds can be found as an attachment to this email and at [www.michigan.gov/gsrp](http://www.michigan.gov/gsrp).* Please take the time to review this document prior to completion.

The FY16 GSRP Acceptance of Funds is now available in the Michigan Electronic Grants System Plus (MEGS+). A person designated as a Level 5 should initiate it now, so that those who need to have access may proceed. **The Acceptance of Funds is due by Friday, July 31, 2015. ISDs are urged to complete and submit it as soon as possible to allow the Office of Great Start to quickly reallocate returned slots to ISDs that have not yet received fourth round funding. Final allocations will be announced following the Acceptance of Funds process.**

If there are questions, please contact the assigned GSRP consultant. For contact information refer to the GSRP Consultant Assignment Map on the website.
